this book deals with the conditions in scotland before the 1800 migration settlement experiences in glengarry and the spread of these scots canadians from glengarry to the american and canadian wests

for anyone interested in the history of the scottish people in scotland and north america this book is essential reading in canada and the united states today there are tens of thousands of descendants of highland scots who left lochaber around 1800 to settle in glengarry county this book deals with the conditions in scotland before migration settlement experiences in glengarry and the spread of these scots canadians from glengarry to the american and canadian wests there are fur trade and metis connections and even ties with the caribbean as well as colourful articles this book contains a wealth of genealogical information family trees maps photographs and other illustrations

the work is the result of over thirty years of oral fieldwork among the last gael in cape breton for whom piping fit unself consciously into community life as well as an exhaustive synthesis of scottish archival and secondary sources reflecting the invaluable memories of now deceased new world gaelic lore bearers john gibson shows that traditional community piping in both the old and new world gàihealtachlan was and for a long time remained the same exposing the distortions introduced by the tendency to interpret the written record from the perspective of modern post eighteenth century bagpiping following up the argument in his previous book traditional gaelic bagpiping 1745 1945 gibson traces the shift from tradition to modernism in the old world through detailed genealogies focusing on how the social function of the scottish piper changed and step dance piping progressively disappeared old and new world highland bagpiping will stir controversy and debate in the piping world while providing reminders of the value of oral history and the importance of describing cultural phenomena with great care and detail

for anyone interested in the history of the scottish people in scotland and north america this book is essential reading in canada and the united states today there are tens of thousands of descendants of highland scots who left lochaber around 1800 to settle in glengarry county this book deals with the conditions in scotland before migration settlement experiences in glengarry and the spread of these scots canadians from glengarry to the american and canadian wests there are fur trade and metis connections and even ties with the caribbean as well as colourful articles this book contains a wealth of genealogical information family trees maps photographs and other illustrations

a unique combination of illustrated guidebook and engrossing narrative this is a chronological history of lochaber from prehistoric times to the present day including maps of the region site plans and illustrations of the major buildings and ruins lochaber is a sparsely populated area remote but romantic centered on fort william it contains no mediaeval burgh no major monastic site and for its size not even many castles however it does include the highest mountain in great britain ben nevis 4406 ft the deepest lake in western europe loch morar and the most westerly point of the british mainland ardnamurchan point daniel defoe described it as a mountainous barren and frightful country full of hideous desert mountains much of the land surface is mountain or bog and its

coastline is indented by long sea lochs while the interior contains some very large fresh water lochs the longest of which are loch shiel at 17 1 2 miles and loch arkaig at 12 miles only a few intrepid travelers came here before the nineteenth century when roads steam boats and then the railway rapidly opened up the area to tourism it remains to this day a popular destination for all those who are inspired by rugged beauty and romantic scenery

an informal personal history by one of the most respected and beloved regional historians of the maritimes insights into schooling and society family and church the outdoors and the universities all of which shaped his character and his work edited and introduced by former student stephen dutcher and featuring a conversation with historian john g reid

this book is written from the point of view of some scholarship and from the point of view of someone whose historical and ethnographic research work has been done mostly from judique in cape breton the author s imaginative and stimulating blend of personal reminiscence and rigorous research demonstrates that highland history can almost always be and often best is done from a local starting point it exposes the first struggles from ruralism into industrialism on the fringes of lochaber and ardgour and what happened in a depopulated area of gaelic scotland for a century from 1840
