about the book when the glass castle made the bestseller list and book groups everywhere were featuring it as their headliner i shied away from the book as a writer and an instructor of literature i tend to be skeptical of the bestseller list undoubtedly these are entertaining books but i usually can t come up with a solid rationale for teaching them to a writing or literature class so i didn t read the glass castle when it was at its most popular however when i started teaching memoir writing classes the glass castle came to mind i decided to give it a try reading it i was surprised at how intense the book was but also how deeply it resonated with its reader and how engaging the prose was i started teaching it to show students how to be courageous in their writing and write with honesty but in a way that pulls in their readers what i most

admired about Jeannette Walls was her ability to be forgiving and compassionate in her telling of the story. Meet the author: born in Port Huron, Michigan, Kathryn Prout has worked as a small town dance teacher, small city nonprofit coordinator, and after-school poetry workshop leader for teens while she's currently busy farming in Ireland. Kathryn always makes sure she has time to read, write, and of course, run. Excerpt from the book: *The Glass Castle* is a poignant memoir about a dysfunctional but lively family told from the perspective of the second daughter of four children. Jeannette Walls is three years old when the story begins and well into her adult life when it ends. Her parents, Rex and Rose Mary Walls, are troubled people who struggle with their own issues while trying to raise four children. Neither parent can hold down a job for any length of time; they move around with their children until they finally settle in Welch, West Virginia, in Welch near Rex's family. They live in squalid conditions from the time Jeannette and her siblings are young. Though their father has grand plans to build the Glass Castle, taking out his blueprints and showing his ornate design of their home, as the kids get older they lose faith in their father ever building the Glass Castle, but he does teach them to have dreams. Each child escapes to New York City to realize his or her dreams the way their father didn't.

This book summary and analysis is created for individuals who want to extract the essential contents and are too busy to go through the full version. This book is not intended to replace the original book; instead, we highly encourage you to buy the full version. Jeannette Walls' *The Glass Castle* is a memoir of unbreakable spirit and salvation, an account of the life of a dysfunctional yet oddly vivacious family. When sober, Jeannette's father was creative and ambitious; he taught them geology, physics, and how to take on life without doubt or fear. When drunk, he was untruthful and violent. Meanwhile, Jeannette's mother was indifferent and free-spirited; she detested the concept of domesticity and she disliked the responsibility that came with raising children. Jeannette and her siblings were compelled to look after themselves and fend for one another together. They endured when they had settled in New York; their parents followed, not minding the fact that they had nowhere to stay just so they could come together as a family. Once again, wait no more, take action, and get this book now.

For readers who loved *The Glass Castle*, comes a stunning, heartbreaking novel about an intrepid girl who challenges the injustice of the adult world. It is 1970. Bean Holladay is twelve, and her sister Liz is fifteen. When their mother, a woman who flees every place she's ever lived, at the first sign of trouble takes off to find herself, she leaves the girls enough money for food to last a month or two. But it's not long before Bean and Liz board a bus from California to Virginia, where their widowed uncle Tinsley lives in the decaying mansion that has been in the family for generations. Once they've arrived, money is tight, so Liz and Bean start working for Jerry Maddox, foreman of the mill in town, a big man who bullies workers, tenants, and his wife. Bean adores her whip-smart older sister, inventor of word games, reader of Edgar Allan Poe, non-conformist. But when school starts in the autumn, it is Bean who easily adjusts and makes friends, and Liz who becomes increasingly withdrawn. And then something happens between Liz and Maddox, tragic and comic at the same time, an outrageous story, one that will break your heart. Sunday

independent there isn't a shred of self-pity in this deeply compassionate book. Marie Claire has immense power and readability. What it does with aplomb is to track the birth of a nation, the conjuring of modern America from a scorched, dusty wasteland. The Times on half-broke horses

a rollicking tale. The Washington Post propulsive. Associated Press wild smart energetic. Los Angeles Times brilliant and effervescent. NPR from the #1 bestselling author of *The Glass Castle*. The Instant New York Times Bestseller. A rip-roaring action-packed New York Times novel about an indomitable young woman in Prohibition-era Virginia. Sallie Kincaid is the daughter of the biggest man in a small town, the charismatic Duke Kincaid, born at the turn of the 20th century into a life of comfort and privilege. Sallie remembers little about her mother, who died in a violent argument with the Duke. By the time she is just eight years old, the Duke has remarried and had a son, Eddie, while Sallie is her father's daughter. Sharp-witted and resourceful, Eddie is his mother's son, timid and cerebral. When Sallie tries to teach young Eddie to be more like their father, her daredevil coaching leads to an accident, and Sallie is cast out. Nine years later, she returns determined to reclaim her place in the family, that's a lot more complicated than Sallie expected, and she enters a world of conflict and lawlessness. Sallie confronts the secrets and scandals that hide in the shadows of the big house, navigates the factions in the family and town, and finally comes into her own as a bold, sometimes reckless bootlegger. You'll fall in love with Sallie on the very first page and keep rooting for her all the way through to the last good housekeeping in this thrilling read that goes down easy like the forbidden whisky that defines the life of Sallie Kincaid. Associated Press
