draws on newly available primary sources to present an in depth accessible profile that offers revisionist assessments of the influential artist s turbulent life and genius works

vincent van gogh 1853 1890 is recognized as one of the greatest most influential 19th century artists and one of the most popular in the history of art this hands on sticker book is designed to acquaint youngsters with his life and art the book features sticker illustrations of 16 of van gogh s finest paintings starry night the potato eaters the church at auvers portrait of dr gachet the artist s bedroom self portrait with bandaged ear still life irises and 9 more along with descriptive text about each painting as they read informative notes on each work children can affix the appropriate full color sticker to that page a fact filled introduction biography chronology of major events in van gogh s life and suggestions for further reading round out this unique presentation one that encourages children to take an active role in

learning about an extraordinary artist

published on the hundredth anniversary of van gogh s death this is the first full length biography of this undying man in twenty years and surely the most comprehensive account to date mr callow treats more searchingly than any previous work the development of van gogh s genius and his emergence as an artist after early struggles to find a vocation first in the world of art dealing and later as an evangelical missionary among belgian miners using the skills and psychological insights of an accomplished novelist and drawing upon new van gogh materials which have surfaced in the last two decades mr callow sets a turbulent life story firmly in historical context including vincent s desperate attempts to accept his repressive religious upbringing and his unhappy experiences in love the story is filled with paradoxes and crushing failures ending in suicide that was to lead to enormous posthumous success through mr callow s book we can see van gogh s life and work in terms of tumult of a legend breaking out of the triumph and confusion of 19th century culture while representing it uniquely it is perhaps the story of a saint certainly a hero of art

includes pictures of 20 of van gogh s most famous works including an explanation of his techniques and influences includes pictures of van gogh and excerpts of his letters to brother theo explains the artistic influences and legacy of van gogh s life and art discusses the mysteries and controversies surrounding van gogh s mental illnesses and death includes a bibliography for further reading a weaver who has to direct and to interweave a great many little threads has no time to philosophize about it but rather he is so absorbed in his work that he doesn t think but acts and he feels how things must go more than he can explain it vincent van gogh 1883 vincent van gogh is undoubtedly one of the most famous artists of all time and though the critical establishment may not consider him the greatest artist who ever lived there may be no artist with whom the public has a greater familiarity unfortunately a great deal of that familiarity comes from the circumstances leading up to his death and the manner in which they have been linked to his painting career of all the things that occurred in van gogh s tumultuous life and career the best known thing about it might be that he cut off the lower left lobe of his ear and much of the general public is familiar with his painting self portrait with bandaged ear in 1882 vincent would hauntingly and somewhat prophetically write to his brother theo what am i in the eyes of most people a nonentity an eccentric or an unpleasant person somebody who has no position in society and will never have in short the lowest of the low all right then even if that were absolutely true then i should one day like to show by my work what such an eccentric such a nobody has in his heart across much of the world van gogh s body of work is so commonplace that virtually everyone is familiar with at least some element of his life reproductions of his paintings populate offices calendars t shirts and the like and his paintings continue to have the potential to affect people on the surface it might appear as though van gogh is a very familiar figure and yet people have spent nearly 125 years wondering just what compelled him to harm himself just how tortured he was mentally and what kind of effects it had on his art in addition to dying a premature and still controversial death van gogh was 27 before beginning his 10 year painting career meaning he

painted for a comparably short period of his life nevertheless he produced an extraordinary amount of art and much of the myth of van gogh surrounds the fact that he painted over 800 paintings and many more drawings and watercolors in such a short time understandably the sheer volume of work meant that many had an unfinished primal quality that seems to be commensurate with the type of person who would paint 800 paintings in addition to numerous drawing and studies over 10 years building to a feverish crescendo at the end of his life on top of that van gogh also managed to find time to write nearly 900 letters during that same period given the way his art and life blend together it s no surprise that van gogh and his work continue to deeply affect viewers to this day while van gogh s painting career is the period of greatest interest it was in many ways a response to his upbringing and the events of his youth history s greatest artists the life and legacy of vincent van gogh examines van gogh s life before his career a close analysis of his painting style and artistic themes and his controversial death along with pictures of some of his most famous work excerpts from his letters a bibliography and a table of contents you will learn about one of history s greatest painters like you never have before in no time at all

vincent van gogh s life and work are so intertwined that it is hardly possible to observe one without thinking of the other van gogh has indeed become the incarnation of the suffering misunderstood martyr of modern art the emblem of the artist as an outsider an article published in 1890 gave details about van gogh s illness the author of the article saw the painter as a terrible and demented genius often sublime sometimes grotesque always at the brink of the pathological very little is known about vincent s childhood at the age of eleven he had to leave the human nest as he called it himself for various boarding schools the first portrait shows us van gogh as an earnest nineteen year old at that time he had already been at work for three years in the hague and later in london in the gallery goupil co in 1874 his love for ursula loyer ended in disaster and a year later he was transferred to paris against his will after a particularly heated argument during christmas holidays in 1881 his father a pastor ordered vincent to leave with this final break he abandoned his family name and signed his canvases simply vincent he left for paris and never returned to holland in paris he came to know paul gauguin whose paintings he greatly admired the self portrait was the main subject of vincent s work from 1886c88 in february 1888 vincent left paris for arles and tried to persuade gauguin to join him the months of waiting for gauguin were the most productive time in van gogh s life he wanted to show his friend as many pictures as possible and decorate the yellow house but gauguin did not share his views on art and finally returned to paris on 7 january 1889 fourteen days after his famous self mutilation vincent left the hospital where he was convalescing although he hoped to recover from and to forget his madness but he actually came back twice more in the same year during his last stay in hospital vincent painted landscapes in which he recreated the world of his childhood it is said that vincent van gogh shot himself in the side in a field but decided to return to the inn and went to bed the landlord informed dr gachet and his brother theo who described the last moments of his life which ended on 29 july 1890 i wanted to die while i was sitting next to him promising that we would try to heal him he answered la tristesse durera toujours the sadness will last forever

childhood apprenticeship in paris his work in provence self portrait characteristics of a van gogh the good samaritan sunflowers

this beautifully illustrated meticulously researched book is a must have for admirers of van gogh s work vincent van gogh is famous as much for his tortured life as for his remarkable paintings this large beautiful book offers unique insight into the solitary genius from his difficult childhood to his inspiring artistic struggles to his mental decline and tragic suicide it follows the path from his early attempts to forge a career to the inspiration he found in the paris of the late 1880s to the sunlight of provence with its fierce blues and yellows and his final days in the village of auvers sur oise gloriously illustrated with such classics as the radiant versions of his favorite sunflowers starry night la berceuse and his many self portraits and including such documents such as his private letters vincent van gogh brings the artist s world to life as never before reissue of the treasures of vincent van gogh in a new format

vincent van gogh used art to express his intensely emotional response to the world around him enraptured by the beauty of nature and tormented by the sorrows of human existence he produced in his tragically short life some of the most powerfully expressive paintings ever seen van gogh famously sold only one painting during his life but within a few years of his death he was recognized as one of the greatest modern painters this visual biography tells his most remarkable life story with all the vivid color churning emotion and lust for life that van gogh embodied and captured on canvas

a remarkable selection covering all aspects of vincent van gogh s life and offering valuable new insights into the creative process behind his many famous works this captivating collection of vincent van gogh s letters opens a window into the mind of one of history s greatest artists giving rare insight into his complicated relationships with family friends and other fellow artists the letters describe his personal doubts fears and above all his overriding passion for his art introductions by the letters editors from the van gogh museum highlight the most recent discoveries and theories surrounding van gogh s work and personal history illustrated with original manuscript letters sketches paintings and photographs of correspondents this book brings van gogh s story and work to life vincent van gogh a life in letters is a valuable personal introduction to the artist s life and work with illuminating commentaries by experts on the subject

vincent van gogh s life and work are so intertwined that it is hardly possible to observe one without thinking of the other van gogh has indeed become the incarnation of the suffering misunderstood martyr of modern art the emblem of the artist as an outsider an article published in 1890 gave details about van gogh s illness the author of the article saw the painter as a terrible and demented genius often sublime sometimes grotesque always at the brink of the pathological very little is known about vincent s childhood at the age of eleven he had to leave the human nest as he called it himself for various boarding schools the first portrait shows us van gogh as an earnest nineteen year old at that time he had already been at work for three years in the hague and later in london in the gallery goupil co in 1874 his love for ursula loyer ended in

disaster and a year later he was transferred to paris against his will after a particularly heated argument during christmas holidays in 1881 his father a pastor ordered vincent to leave with this final break he abandoned his family name and signed his canvases simply vincent he left for paris and never returned to holland in paris he came to know paul gauguin whose paintings he greatly admired the self portrait was the main subject of vincent s work from 1886c88 in february 1888 vincent left paris for arles and tried to persuade gauguin to join him the months of waiting for gauguin were the most productive time in van gogh s life he wanted to show his friend as many pictures as possible and decorate the yellow house but gauguin did not share his views on art and finally returned to paris on 7 january 1889 fourteen days after his famous self mutilation vincent left the hospital where he was convalescing although he hoped to recover from and to forget his madness but he actually came back twice more in the same year during his last stay in hospital vincent painted landscapes in which he recreated the world of his childhood it is said that vincent van gogh shot himself in the side in a field but decided to return to the inn and went to bed the landlord informed dr gachet and his brother theo who described the last moments of his life which ended on 29 july 1890 i wanted to die while i was sitting next to him promising that we would try to heal him he answered la tristesse durera toujours the sadness will last forever
